MEMORANDUM FOR: William H. Carpenter

Herewith two copies of our memorandum "European Security -- Themes from East and West."

As I indicated to you on the phone, we did this at the specific request of a Defense Department customer who informally asked us for our own thoughts on the subject.

The attached is just that -- it has had no circulation outside the Agency except to the original requestor. Tom Hughes, accordingly, has no copy. The second copy is for him. When you give it to him, would you fill him in on the background.
